PROFILE

I am a passionate WordPress and Shopify Developer with experience in designing and customizing websites that are both business-oriented and user-friendly. I also have practical knowledge of SEO and Meta Ads, enhancing the online presence of businesses. With proficiency in HTML & CSS, I am able to design custom-coded solutions based on client specifications, incorporating design, functionality, and marketing for enhanced performance.

WORK EXPERIENCE

Toyota Eastern Motors

2018- 2020

Customer Service Representative

- Proven track record of 3 years in automotive customer service, specializing in resolving inquiries, handling complaints, and building strong customer relationships.
